

Free Breakfast & Lunch Available

ALL children under the age of 18 are eligible for School Breakfast and Lunches funded by the State including Trinity and Immanuel Schools. Participation in the program ensures students have a balanced meal to help them continue to learn from home. It also takes one task off the ever-growing list of things parents need to do. In order to maintain our Federal funding, the school would like to encourage all students to participate!

Please take advantage of this program by calling the contacts below so we know how many lunches to prepare or call the NPS District Office directly. Pick-ups will be available at the Nicollet American Legion from 5:30-6:30 PM daily, even weekends. If you are unable to make these times, we are delivering as well (with a signed consent form).

We are also offering all Adults, Veterans, and Elderly free breakfast and lunches and that too can also be set-up for delivery. If you have questions, please direct them to the below contacts, thank you!

Nicollet Public School - 507-232-3411 option 0

Chris Shay - 507-351-0825

Del Vulcan - 507-381-9232

Adam Erickson - 507-995-8530

Vicky Erickson - 507-995-3241

In these times of uncertainty and instability communities always find ways to ease the pain of transformation and chaos. Together we can make a difference, and that time is now. Together we can help each and every person who needs it, and through the assistance of all our Organizations and businesses we will do just that! The Greater Area Nicollet Foundation, Nicollet Lions, Nicollet American Legion Family, Nicollet Conservation Club, & the Nicollet Public School have all teamed up to provide services for those in need. Starting March 17 these organizations and local businesses will serve the area community in many aspects.

First is to provide a healthy Breakfast and Lunch to ANYONE in need (Youth, Adults, Elderly, and Veterans). The Nicollet American Legion will be open from 5:30 PM to 6:30 PM daily and even weekends, if needed, to distribute these brown bag meals to people in need of a daily nutritious meal. For those that are unable to drive, are sick/self-quarantined, or simply cannot make these times, we will deliver to the surrounding Nicollet area.

Second is to provide services for anyone that is in need of assistance in the community. If anyone is sick and cannot leave their homes to grocery shop, laundry, etc, please contact one of the above people to setup a time for assistance.

As a community we will get through these times. Today we don't know if this will be 2 weeks or two months, things will change. Please be flexible as we try provide the best service we can to such a great community!
